

**Congratulations to our 6<sup>th</sup> Graders!  
CLASS of 2023**

June 2017  
Volume 5, Issue 10

Dear PHCS Families

June is here and plans are being made for beach days, graduations and the final days of school. To assist you with planning, transportation and child care needs, I want to remind you of some important dates as we end our school year.

On **Tuesday, June 20<sup>th</sup>** our kindergartners will celebrate their graduation at 9:00 a.m. in the auditorium. A reception will follow in the cafeteria. Kindergartners are welcome to leave with their family after the reception. This will also be the last day of school for our UPK students.

**6<sup>th</sup> Grade Graduation Ceremony is planned for Wednesday, June 21<sup>st</sup> at 9:00 a.m.** in the auditorium. A reception will follow in the cafeteria and the graduates are welcome to leave with their family after the reception. We wish them the very best as they enter 7<sup>th</sup> grade!

The **last day for students in grades 1<sup>st</sup> – 5<sup>th</sup> will be June 22<sup>nd</sup>**. Students will be dismissed at 11:40 a.m. There will be bagged lunches available throughout the week.

We have many end-of-the-year events going on. Please make use of the calendar we have included in our newsletter each day to ensure that your child is prepared for any activities. Keep in mind that children must have signed and returned permissions slips to leave campus for field trips and Beach Days.

Thank you in advance for your help organizing the last few weeks of school. We value your support and hope you enjoy a summer holiday filled with wonderful memories with your child/children. Please be sure to encourage reading over the summer months. You can refer to page two for some ideas to prevent "Summer Slide"; however, simply devoting a bit of quiet time each day for your child to relax and read will make a huge difference when he/she begins school in September!

"Warm" wishes for a great summer!

# How to beat the SUMMER SLIDE

Have your child read for at least **20 minutes** every day.

Spend time **cooking** together.

Explore different kinds of **reading material** like picture books, chapter books, and magazines.

Make use of your **local library**.

Listen to **audio books** on summer car trips.

**Read aloud** with your children daily.

**Review skills** with fun, hands-on review activities.

Engage in **meaningful conversation** and help build your child's vocabulary.

Enjoy a **new hobby!**

## Math-athon to Benefit St. Jude's Children Hospital

For 7 years, our elementary school has participated in the St. Jude's Children's hospital **Mathathon** fundraiser. Again our students have risen to the challenge by having the highest number of students participate and raising over \$1,200 in donations. Ms. Pcolar's class (pictured here) raised the most money, so we celebrated with "A Popcorn and Sundae Party" to honor her students. Also invited (and pictured with Ms. Pcolar's Class) were the top fundraising students in grades 2<sup>nd</sup> through 5<sup>th</sup>. Our donation to the hospital purchased chemotherapy for a patient at St. Jude Children's Hospital. Great job to all those students who participated and helped children in need! **WE ARE PANTHERS WITH A PURPOSE!**
